OFFICE COMMUNICATION

This paper is being filed as a summary of a telephone conversation with Supervisory Patent Examiner Patrick J. Ryan conducted on December 20, 2006. In the present case, Applicant's Supplemental Amendment, which was filed and entered on December 11, 2006, predated the Final Office Action, which was mailed December 13, 2006; however, the Final Office Action did not consider the Supplemental Amendment. Consequently, SPE Ryan stated that Examiner Tony Chuo would provide a Supplemental Office Action, wherein the response period would start from the Supplemental Action mailing date, not the Final Office action date of December 13, 2006.

Respectfully submitted,
DINSMORE & SHOHL LLP
